MACON DIVISION

UNITED STATES OF AMERICA

v.

JAKEITH BUCK

Case No.: 5:19-MJ-00035

Filed at 9:53 A M
8-13, 2019
JDR
DEPUTY CLERK, U.S. DISTRICT COURT
MIDDLE DISTRICT OF GEORGIA

MOTION TO QUASH GRAND JURY SUBPOENA

NOW COMES, **JAKEITH BUCK**, Grand Jury Witness, by and through his undersigned counsel and respectfully moves this Court to quash that grand jury subpoena directed to Mr. Buck. In support thereof, Mr. Buck states as follows:

1. On or about July 9, 2019, Mr. Buck appeared under subpoena and invoked his Fifth Amendment Privilege.
2. On or about July 12, 2019, the undersigned counsel was appointed to represent Mr. Buck.
3. The government seeks to compel Mr. Buck's testimony for an improper purpose because any testimony elicited would, on information and belief, be an arbitrary fishing expedition, entirely cumulative and unnecessary for the grand jury to return an indictment, which tends to give the appearance that the government has targeted Mr. Buck out of malice or an intent to harass or was issued for the sole or dominant purpose of collecting additional evidence.

4. Further, any grant of involuntary immunity does not adequately protect Mr. Buck, because, based on information and belief, Mr. Buck may be a potential subject of the grand jury investigation and there is a potential for the government or some other agency to use Mr. Buck's testimony against him in a subsequent indictment and/or subsequent proceedings.

WHEREFORE, the Mr. Buck respectfully moves the Court to enter its order quashing the grand jury subpoena and deny the government's motion to compel Mr. Buck's testimony before the grand jury.

Respectfully submitted this 13th day of August, 2019.
